Specialized Recruiting Solutions Delivered Locally

David Aplin Group provides specialized, full-service recruiting and HR solutions throughout Saskatchewan. Their professional consultants are passionate about meeting their clients' recruiting needs – ensuring complete satisfaction with their processes and facilitating hiring success for every organization they partner with – from local entrepreneurs to Fortune 500s. Aplin's proven track record, nearly four decades long, is largely due to their team of highly skilled and successful specialists. "We have an incredible team in

Saskatchewan," says Jacqueline Gallagher, Managing Consultant. "As a local search provider we are able to provide speed of delivery – our consultants make local candidate connections in order to deliver the best possible talent for our clients on a timely basis."

Canadian owned and operated since 1975 and with 10 office locations coast-to-coast, David Aplin Group continues to be a leader in the professional search and recruiting industry. In 2012, Aplin recognized there was a need for a specialized recruiting firm in Saskatchewan and, by assembling a team of dedicated professionals from

Newfoundland to Vancouver, the agency soon became the largest organization of its kind in Saskatchewan. All Aplin consultants are dedicated to particular divisions and can respond quickly to their clients' recruiting needs in specific markets. "Our goal is to ensure that you hire only the best and brightest talent for your organization," says Jeff Aplin, President. It's no surprise that David Aplin Group is one of Canada's Best Managed Companies.

PROFESSIONAL RECRUITING
David Aplin Group provides niche-market expertise with full-service advantages

including complete confidentiality, a proven track record of satisfied clients, rigorous search processes, and industry-specific knowledge. Its deep specialization extends to 10 business lines including: Aplin Accounting & Finance, Aplin Engineering & Technical, Aplin Human Resources, Aplin Information Technology, Aplin Legal Professionals, Aplin Office Professionals, Aplin Sales & Marketing, Aplin Supply Chain & Operation Management, Aplin Executive Search, and Aplin Consulting. Its Aplin Office Professionals' team, for example, uses professional candidate profiling and testing plus industry-specific software and search techniques to source highly skilled temporary, contract and permanent administrative professionals.

EXECUTIVE SEARCH AND LEADERSHIP CONSULTING One of David Aplin Group's fastest growing divisions is Aplin Executive Search. In 2012, Aplin Executive Search merged with Executive Source Partners, then the largest and only search firm headquartered in Saskatchewan. Aplin Executive Search proactively delivers quality candidates. Ninety-five per cent of the talent it has placed have been successful business leaders "headhunted" by Aplin's search professionals as opposed to active jobseekers responding to career ads.

With the increasing growth in the province and in today's competitive market, it makes good business sense to develop a relationship with a staffing partner. David Aplin Group's core business is recruiting. Partnering with David Aplin Group lets you concentrate on your core business.
